

Group Home Page

What is a Group Home page?

The Home page of the group is where you will find any activity that goes on within this group. Here are a list of examples that may appear on this page:

- Posts from the group Blog.
- External group Blog posts.
- New Forum Topics.
- Replies from the group Forum.
- New Group Memberships.

The screenshot shows the Facebook group page for 'Digital Learning Support'. The group is a 'Hidden Group' that was 'active 55 minutes ago'. The group name is 'Digital Learning Support Group'. The page includes navigation tabs for 'Home', 'Forum', 'Members' (with a notification icon), 'Send Invites', and 'Manage'. Below the navigation is a message: 'All group activity is summarised on this page.' with an RSS icon. There is also a 'No Filter' dropdown menu. In the top right corner, there is a 'Group Admins' section with a profile picture icon.
