

## Manage Themes

### What are Themes?

Aside from the default theme included with your WordPress installation, themes are designed and developed by third parties.

You can see what your site would look like with one of these themes by clicking the Live Preview. To change themes, click the Activate button.

You can see your active theme at the top of the screen.

1. Go to Appearance

### Further Support

Additional support is on hand should you require help. Contact the Digital Learning Support team at [elearning-support@arts.ac.uk](mailto:elearning-support@arts.ac.uk)
